

# National Vocational Qualifications

National Vocational Qualifications (NQF's) available through Cornwall Marine Network

## What are NVQ's (NQF's)?

- Competence based qualifications assessed against the National Occupational Standards for your area of work
- Completed in the workplace resulting in little disruption to workload
- NVQs are an assessment of your competence and skill meaning there is no need to sit exams
- Available for a broad range of occupations and businesses.
- Learners may progress to the next level of NVQ as their job role develops and they take on more responsibility.

## How much will my NVQ (NQF) cost?

We will discuss any funding possibilities with you which may result in your course being free of charge

## Next Steps...
