

# Management & Team Leading Apprenticeship

## About our Apprenticeship

The Apprenticeship scheme delivered by CMN offers a new and unique approach to enhancing your workforce, coupled with a guaranteed package of benefits that will genuinely support your business and its needs.

- Effective recruitment service
- Improve profit by increasing productivity (Source: [www.apprenticeships.org.uk](http://www.apprenticeships.org.uk))
- Dedicated support from CMN's specialist training team throughout the programme
- A service that is tailored to meet your specific needs
- CMN will source the best available training for your apprentice wherever your business is located
- The delivery model can be designed to meet your organisation's requirements

### How does an Apprenticeship Work?

- The Apprentice must work a minimum of 30 hours per week; training is delivered in the workplace and assessors will visit to observe and support you both. CMN offers the Apprentice 1-to-1 training support and/or Apprenticeship training workshops as appropriate.
