

ESOL

English for Speakers of Other Languages (ESOL)

Overview...

Improving English language skills will make it easier for employees to interact and will improve the communication skills of your workforce, for speakers of other languages. In addition, it will help them:

- Understand the laws and customs of the UK.
- Pass the Life in the UK test and become a British Citizen.
- Gain more confidence.
- Improved communication between colleagues.
- Gain access to further qualifications for staff

Courses can be tailor made to suit the learner and delivered at a convenient time and location.

Will I need to pay for the course?

We are able to provide training to help with ESOL for FREE.

Next steps...

If you are interested in a member of staff improving their English please contact Cornwall Marine Network (details below), where you will be booked in for a free introductory session and skills check..

Courses cover:

- Speaking and Listening
- Reading and Writing
- Vocabulary
- Punctuation and Grammer

These courses are at different levels so the learner will be able to start at the right level for them.
