

National Vocational Qualifications

National Vocational Qualifications (NQF's) available through Cornwall Marine Network

What are NVQ's (NQF's)?

- Nationally recognised competence based qualification that evidence your skills at work.
- Set a variety of levels to meet individual needs.
- Can identify the skills and knowledge that could be improved.
- Are completed in the workplace without the need to visit college or sit exams.
- Available for almost all occupations and businesses.
- Allow the learners to progress to a higher level of achievement.

How much will my NVQ (NQF) cost?

Using our unique funding package underline NVQ's (NQF) are FREE of charge.

Next Steps...
