

Running Your Event at CMN

Cornwall Marine Network (CMN) is expanding, and as a result has brand new conference and training facilities available to hire. The bright and spacious rooms offer an impressive setting to stage both small and larger meetings and have been kitted out with the most up-to-date audio visual equipment.

Hosting Events at CMN will allow you to receive the following:

- Access to our conference room (24 delegate capacity)
- Use of up to date audio visual equipment; an interactive SMART board, flipchart and markers, wireless internet access and a computer
- Support to host your event from the professional team at CMN by meeting and greeting delegates
- Promotion of the event to network members: by member message, by targeted personal emails, newsletters and through our website
- Administration of bookings, answering queries, and sending confirmation
- Ordering and facilitating refreshments and food (coffee, teas, breakfast, lunch)
