

## Skills for Life

Opportunities for you to update your **literacy & numeracy skills**

### Do you want to..?

- Brush up your skills
- Gain a nationally recognised qualification
- Have more confidence with numbers
- Be positive about punctuation

CMN are providing an opportunity for participants to refresh and modernise their own English and maths skills and acquire a nationally recognised qualification.

Courses can be tailor made to suit you and delivered at a convenient time and location.

CMN are working with Link into Learning who have many sites located throughout Cornwall. For groups delivery can be in the workplace.

### What you can do after achieving a nationally recognised qualification?

- Go on to the next level qualification
- Put the recognised skills to use both at home and at work

### Will I need to pay for my course?

We are able to provide training to help with literacy and numeracy for **FREE**.

### Next steps...

If you are interested in brushing up your skills please contact the Network office (details below), where you will receive a free introductory session and skills check.

Telephone: **01326 211382**
